

## The Integrated Education Fund makes these commitments to anyone who remembers us in their will.

If you are considering leaving a gift to the Integrated Education Fund in your will, we want you to feel completely comfortable about it. These are our promises to you:

1. We will always respect your privacy. We recognise and appreciate that your will is completely personal to you.
2. We also realise that, rightly, your family and loved ones will always come first.
3. Because we are committed to providing the opportunity for children in N.I. to be educated together, not apart, we always encourage people to leave something to IEF. But we recognise that it's your decision and you need to make it in your own time.
4. You can tell us that you've left a gift if you want to, and we'd love to hear – but you don't need to tell us, and we won't keep asking you.
5. We will use your gift carefully and cost effectively so that it has the greatest impact.
6. We will give you the opportunity to be connected with the work we do. This work is only made possible by gifts like yours.
7. At any time in the future, you have the absolute right to change your mind about a gift in your will to IEF.
8. We will handle whatever gift you leave us efficiently – and also with care, sensitivity and respect.
